

WEDDINGS DIVINO RISTORANTE

YARRA VALLEY - AUTHENTIC ITALIAN MAGIC IN THE VINES

Welcome to Divino at e'Stellar estate

Dear couples,

Right in the heart of the Yarra Valley, DiVino Ristorante is nestled within Estella'r Estate – a breathtaking 200-acre working vineyard. Surrounded by rolling hills, endless vines and native gardens, it's the cool, romantic spot for a wedding that feels totally you. Run by a real Italian family with genuine Italian chefs and passionate staff, we bring you an authentic Italian experience – warm hospitality and a full range of menus from relaxed sharing feasts to refined fine-dining options.

With hundreds of epic photo opportunities across the vines and gardens, your bridal party will have magazine-worthy shots all day. Once you book, we'll send you our exclusive photo & video map plus a detailed floorplan showing exactly how the venue can be set up and table capacities.

We also work closely with Devine Escape, located just 2 minutes from DiVino, offering beautiful nearby accommodation for wedding guests and bridal parties. Many of our couples choose to get ready there before the ceremony, creating a relaxed and seamless experience throughout the day. Guests are also welcome to leave their cars overnight at DiVino and enjoy the short walk or drive back to their accommodation after the celebration. With multiple accommodation options available and special rates for DiVino couples, it's the perfect nearby stay for your wedding weekend.

With warmest regards,

Sofia Moretti
Wedding planner and coordinator
